March 2026 Newsletter

Spring term update

Our recent Friends' Golden Ticket competition, celebrating World Book Day, was a huge success and brought lots of excitement across the school! Pupils were thrilled to discover if they were one of our lucky winners, with a range of fun prizes up for grabs.

A hot chocolate (with marshmallows!!) with Mrs Fenby and Mrs Huns!

One of the most popular rewards was the chance to spend time with our wonderful school dog, Honey. Winners either enjoyed a relaxing walk with her or sharing a quiet moment reading a book together. These special experiences created plenty of smiles and memorable moments for the children.

It was fantastic to see such enthusiasm and joy throughout the competition. A big well done to all of our winners - and thank you to everyone who took part and made it such a fun event!

Forest School update

What a fabulous first half term of Forest School it has been with Year 5 children at Muscliff Primary School!

Pupils have shown creativity, teamwork and developed their respect for the natural environment. In week 1 pupils learnt how to stay safe out in the forest school and learnt all the forest school rules! This week they alse used mud and clay to create their own mud monsters/ mud people.

The following week the children learnt to tie a 'Round turn and 2 half hitches knot', they then worked in teams to build some amazing shelters, using this knot to secure the tarps!

In week 3 we discussed how animals have habitats specific to them. The pupils explored the forest school to find any habitats we already had. They then had the opportunity to build their own animal habitats.

Week 4 was tools week and year 5 got the opportunity to chop firewood for our fires on the final week. Here they showed great teamwork, concentration and strength to chop up the big logs using an axe and mallet!
The final week is campfire week, something we have been working up to all half term, and year 5 pupils have definitely shown me they can be safe and sensible in the outdoors. They will get the opportunity to make sparks with a flint and steal and then we will be roasting marshmallows on the campfire!

After Easter it will be Year 4's turn for Forest School, there's lots of outdoor adventures, den building, bug hunting, tool work and a campfire to look forward to.

After School Club

The after-school club pupils have been having lots of fun exploring the new forest school. They've enjoyed building dens, bug hunting, bird watching, playing games and trying out some of the different tools we have, including the hammer and bow saw. After school club will be continuing after Easter and it is open to Year 2 - 6 pupils. Book early to secure your spot.

PRIMARY
FOREST SCHOOL &
OUTDOOR EDUCATION

School: Muscliff Primary

During this club, children will develop their forest skills; shelter building, crafts, using tools, bug hunting, campfire cooking and have free exploring time. Each club is tailored to the children attending!

Day: Wednesday
Dates: 15/04/2026 - 20/05/2026
Time: 15.15 - 16.15
Club: Forest School
Year Group: Years 2, 3, 4, 5, 6
Cost Per Block: £30.00
All equipment will be provided.

10% Sibling Discount use SIBLINGS in the voucher code box at the checkout

EXPLORE LEARN GROW

What have we been up to this term?

RECEPTION

What a brilliant half term we have had in Rainbows! We have really enjoyed our Dinosaurs topic. A particular highlight was an exciting visit from Dinomania! It was wonderful to see the awe and wonder in the children's faces, truly magical!

We have really enjoyed our weekly visits from Soundstorm Music this half term. It has been so much fun and we have loved watching the children's musical play and singing confidence develop. We have made the most of the improving weather with our outdoor provision and started to plant some spring bulbs and sunflower seeds- we look forward to watching them grow!

Our Year 1 children had an exciting magical starter to launch their dinosaur topic! Dressed as explorers, they learned all about Mary Anning and her significant contribution to our understanding of the world and dinosaurs. They completed a scavenger hunt to find hidden dinosaur skeleton pieces, working hard to build their own dinosaur skeleton back in the classroom.

YEAR 1

The children took part in a range of hands-on activities. They created ammonites from clay, carefully excavated dinosaur pictures from sand, and used torches to explore and draw dinosaur shadows. They also enjoyed reading and learning about fossils, asking thoughtful questions along the way.

Throughout the day, the children showed fantastic resilience and curiosity. They approached each challenge with enthusiasm and care, demonstrating a real love of learning. We are so proud of their efforts and can't wait to continue our dinosaur adventure!

This half term has been wonderfully busy in Year 2! We have loved diving into our beautiful text, The Hodgeheg, which has helped us learn all about road safety. Our local area walk was a great success—we carefully observed real road-safety procedures and used the opportunity to improve our map-reading skills as part of our Geography learning.

YEAR 2

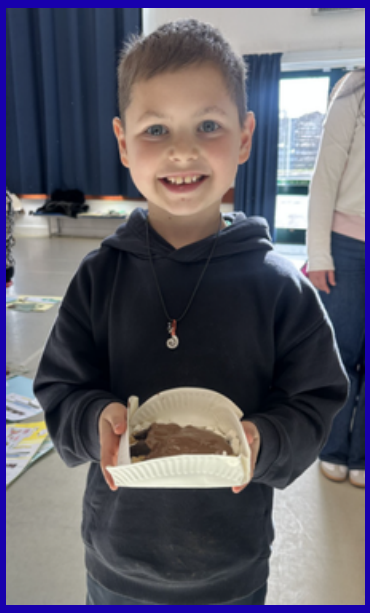
In Art, one of our favourite activities has been creating our very own clay Max hedgehogs. The children showed brilliant creativity and care in their designs! Another highlight was our fantastic trip to Avon Heath Country Park, where we explored nocturnal animals, microhabitats, and the natural environment around us.

World Book Day was a joyful celebration—sharing hobbies, enjoying our books, and hunting for the golden tickets kept everyone smiling!

In Maths, we have been learning all about 2D shapes and symmetry: identifying lines of symmetry, comparing different shapes, and using our knowledge to solve problems.

It has certainly been a full and exciting five weeks, and we are so proud of all the enthusiasm and hard work Year 2 has shown!

This half term year 3 journeyed back in time and deep beneath the Earth's surface. We began by diving into the fascinating story Stone Girl, Bone Girl, where we learned all about the remarkable fossil hunter, Mary Anning. Inspired by her discoveries, the children became budding palaeontologists themselves! They created their very own fossils and even imagined and designed ancient dinosaurs that these fossils might have belonged to, creating detailed character descriptions



YEAR 3

In Science, we explored the wonderful world of rocks. Through a range of hands-on investigations, the children tested and sorted rocks to determine whether they were sedimentary, igneous, or metamorphic. It has been brilliant to see their enthusiasm continue beyond the classroom, with many children bringing in their own rock and fossil finds to share.

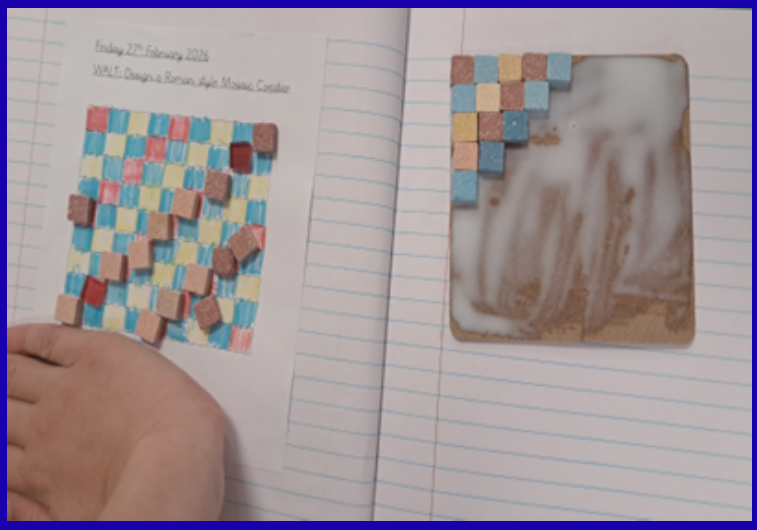
Finally, using The Street Beneath My Feet as inspiration, we dug deeper (literally!) to learn about the different layers of soil and the creatures that might live within them. To bring this learning to life, we created delicious rocky roads, carefully layering ingredients to represent the layers of soil...what a tasty way to learn!

A huge thank you to all the parents who came in to take part and support this activity. Your involvement made the experience even more special for the children.

Well done, Year 3. You've truly rocked this half term!

YEAR 4

We have had another fun-filled, busy term in Year 4! We began our learning with a Roman Day where we immersed ourselves in life in Ancient Rome. We were impressed by the children's creative costumes, and curious attitudes as we learnt all about the timeline and history of the Roman Empire, as well as discovering fun facts about Roman Life. Did you know - the Ancient Romans ate their meals laying down? Everyone showed resilience to make a Roman mosaic coaster tile, and it was lovely to see the children's fantastic designs come to life.



We are incredibly proud of our letter writing skills in our English lessons. The children watched reconstruction videos and tried to imagine what it would have felt like if they were having to escape from Pompeii when Mount Vesuvius erupted. They then wrote a letter to a family member telling them of their experience. Their vivid descriptions, emotive language and creative use of similes and metaphors really helped their reader to understand what the experience might have felt like.

After finding out about the events of 79AD in Pompeii, the children were fascinated to learn more about why Volcanic eruptions happen. They have all shown wonderful curiosity in our Geography lessons where we have explored all about Tectonic Plates and the famous Ring of Fire. We even created our very own information posters about volcanoes around the world and the how their eruptions may affect the people living nearby.

This half term, we have had an amazing time learning all about Ancient Greece! We started our topic by tasting different Greek foods and dressing up, which was really fun and helped us feel like we had gone back in time. We have been trying to answer our big question: What were the Greeks' greatest achievements? We learned about lots of incredible ideas they gave us, like the Olympics and new ways of thinking.

YEAR 5

In geography, we have been learning all about Greece and where it is in the world. We used lines on maps to help us understand where different countries are located and have used that information to help us understand different climate and time zones.

One of our favourite parts of this half term has been Forest School with Miss Jones. We have built dens, made habitats for insects, and even chopped wood using axes to get ready for a campfire! It has been so exciting, and we have learned lots of new skills that we could use if we were out in the wild.

We have loved every moment of this half term and are very proud of everything we have learned!

In Year 6, we had a strong focus on science and we explored Charles Darwin's Theory of Evolution. We found it very interesting to see the similarities of our parents in our own appearances and enjoyed guessing whose family members belonged to the school adults!

YEAR 6

In writing, we explored letters of complaint and had to write a letter to Mrs Huns- she was trying to extend our learning time by removing our playtime- and this was something we definitely didn't agree with. It gave us an opportunity to write formally and make our point in a persuasive way.

We also used a new piece of equipment this year in computing, called a micro:bit. We spent time learning how to code these pieces of equipment and were successful in creating a magic 8 ball style programme and also their own pedometers.

Sports News

Football League Finals Match Report

We were incredibly proud to be taking not one, but two teams to the BCP Schools League Finals this year! On Thursday 5th March both our Year 6 Boys Team and our Girls Team earned their places after finishing top of their league groups — an amazing achievement in itself.

When we arrived, we were informed of the match draws:

The Year 6 boys faced Pokesdown in their semi-final.

The girls were straight into their semi-final against Park School.

Miss Cole supported the boys through a tense match against Pokesdown, which saw them go 1–0 down early on. Showing brilliant resilience, they fought back to win 2–1, securing their place in the final against Avonwood.

The girls' match was equally dramatic. After battling hard throughout, they held Park School to a 0–0 draw, taking the game to a nerve-wracking penalty shootout! The girls taking the penalties were fantastic, and a special mention must go to Mia, who was our brave goalkeeper and made crucial saves. With a 4–3 win on penalties, the girls earned their place in the final against St Luke's!

With both finals happening at the same time, Mrs Flynn and Miss Cole were sprinting between pitches to cheer both teams on. Despite excellent effort, determination and teamwork, luck sadly wasn't on the boys' side in their final, with Avonwood taking a 2–0 win.

The girls also faced a tough match. They battled brilliantly, and although they scored five goals, one spectacular strike from Hollie was unfortunately disallowed — meaning they narrowly missed out, losing 5–4 in a nail-biting finish.

Regardless of the results, we could not be any prouder.

Both teams showed outstanding teamwork, perseverance, sportsmanship, and a true love for the game. Finishing 2nd in the whole of BCP is an absolutely incredible achievement and testament to all the hard work they've put into training.

A huge well done to our team players:

Boys:

Alfie, Jimmy-Jean, Ethan, Cairo, Henry, Kyle, Jack and Teddy

Girls:

Mia, Hollie, Mya, Ellen, Alba, Eliza, Arielle, Toshi, Amelie, Delilah and Alice

What incredible footballers you are — we are so proud of you all!

Girls' Football Festival

A group of our Year 5 girls—Alice, Amelie, Amelia, Tilly, Abbie, Evie and Brooke—had a fantastic afternoon representing the school at the Girls Football Festival held at Bourne Academy. The girls took part in a variety of fun and engaging activities designed to develop their football skills, showing great enthusiasm, teamwork and determination throughout.

A real highlight of the day was the opportunity to meet and speak with members of the AFC Bournemouth Women's team, which inspired the girls and made the experience even more memorable. With the sun shining, it was a wonderful afternoon of sport, learning and enjoyment, and the girls should be incredibly proud of how they represented the school.

Walk to School Week is back for another year! This May, pupils from all over the UK will take part in Living Streets' exciting five-day challenge as they walk, wheel, scoot or Park and Stride to school every day of the week. This will take place from the 18th to 22nd May and encourages pupils to enjoy the many social, health and environmental benefits of walking and wheeling.

School Council update

On Friday 20th March, our school council visited Moordown St Johns to celebrate Global Neighbours Week. Not only were we special guests at their celebration assembly, but we were also there to talk to their school parliament and share ideas.

We were inspired by their ideas, and they gave us hope for what could be done in the future. Recently, they enjoyed a bake sale where every year group, from Reception to Year 6, baked something to raise funds for a school in Burundi. They even held a staff baking competition, which sounded very exciting. We enjoyed talking to new people who also felt passionate about making positive changes. We are looking forward to introducing ideas and collaborating again in the future.

Our choir recently took part in The Bishop of Winchester's annual show, High School Musical, and what brilliant fun it was!

Well done to Alba, Ishita, Delilah, Ella, Evie, Mya, Eliza, Ivy, Daisy, Ellen, Milli-Mae, Evie, Olivia, Nina, Amelia, Evie, Hana, Brooke, Angel, Khrisha, Toby, Abi and Percy.

They all performed superbly, and it was also lovely to see some of our past pupils on stage too. We're now super excited to start working on songs for a range of different events in the summer term.

A huge well done to our all choir members who put on a fantastic performance

Recently in Lego club we made landmarks

The Pyramid's, Eiffel Tower, White Cliffs of Dover with Dover Castle from Theo in Year 4

Here is Lorna's from Year 5...
Can you guess?

It's Old Harry's Rock.

Term dates

Easter Holiday Monday 30th March – Friday 10th April 2026

Summer Term 1 2026 Monday 13th April – Friday 22nd May 2026 (normal finish)
Bank Holiday: 4th May – School closed

May Half Term break Monday 25th May – Friday 29th May 2026

Summer Term 2 2026 Tuesday 2nd June – Wednesday 22nd July 2026 **(1.30pm finish)**
Monday 1st June - INSET day (school closed)
Friday 3rd July - INSET day (school closed)

Summer Holiday begins Thursday 23rd July 2026- start of the summer holiday

Tues 5th Jan* – Fri 12th Feb
Half term: Mon 15th Feb - Fri 19th Feb
Mon 22nd Feb – Thurs 25th March (1.30pm finish)

Summer term 2027:

Mon 12th Apr – Fri 28th May
Half term: Mon 31st May - Fri 4th June
Tues 8th June** – Wed 21st July (1.30pm finish)

*INSET dates
Tues 1st Sept 2026
Fri 20th Nov 2026
Mon 4th Jan 2027
Mon 7th June 2027
Fri 2nd July 2027

PE days for Summer 1

Reception - Tuesday and Friday
Year 1 - Monday and Wednesday
Year 2 - Monday and Wednesday
Year 3 - Wednesday and Thursday
Year 4 - Monday, Wednesday* and Thursday
Year 5 - Monday and Friday
Year 6 - Tuesday and Thursday

**Forest school day - Y4 please wear PE kit and bring in spare outdoor clothes (long sleeved)*

Friends Update

It's been a wonderfully busy term, from the Marvellous Muscliff Chocolate event to the fantastic discos last night. Thanks to your support, we're continuing to raise funds for our Forest School and a brand-new library. We have a sponsored event coming up in May, and planning is already underway for our Summer Fayre on 2nd July.

Our next community event is a Car Boot Sale on Sunday 19th April, held on the school car park and playground.

Sellers: Arrival from 9am (£5 entry)

Buyers: 10am–12pm (£1 entry for adults)

The Easter break is the perfect opportunity for a clear-out—why not turn your unwanted items into a bit of extra cash while supporting the school? We'd love to see you there.

If you'd like to get more involved with the Friends of Muscliff, please join us at our next meeting on Tuesday 14th April at 6.30pm. This will also be a Special General Meeting to review the constitution, which is available on our school website under Muscliff Primary School – Meet the Team.

A huge thank-you to all our 'Friends' for their incredible support this term. Your time, energy, and commitment make such a meaningful difference, providing the extra experiences and resources our children value so much. We truly appreciate everything you do.

The Holiday Activities and Food programme (HAF) is a Department for Education programme and provides fully funded holiday club places (with a hot lunch) for eligible children:

School-aged children in Reception to Year 11 (inclusive)
Receiving benefits related to free school meals
All HAF clubs have been commissioned by BCP Council and adhere to the DfE Framework of Standards for HAF.

A range of fantastic opportunities are available this Easter across BCP including sports, festive art and crafts, baking, dance, days out for teens…. and much more!

The full list of our Easter HAF providers across BCP can be found on the Family Information Directory https://www.fid.bcpcouncil.gov.uk/family-information-directory

There are lots of brilliant, family friendly activities happening across Bournemouth, Christchurch and Poole this Easter - perfect for keeping children busy, active and creative. From outdoor trails and seaside adventures to crafts, museum sessions and fun at our leisure centres, there's something for all ages to enjoy.

Many activities are free or low cost, and there are options both indoors and outdoors, whatever the weather. It's a great chance to get out together, explore our local area and make some lovely spring memories.

Full Easter Programme here- https://www.bcpcouncil.gov.uk/news-hub/news-articles/egg-citing-easter-activities-springing-joy-across-bournemouth-christchurch-and-poole

Public paddling pools are set to reopen for the summer. These much loved spaces have been a favourite for generations, offering free, family friendly fun and the perfect way for children to cool off and play in the sunshine.

Redhill Park & Hamworthy Park- reopening Saturday 23rd May
Quomps Splash Park, Christchurch- set to reopen late May
Littledown Park - the paddling pool will also reopen in May, with exciting updates coming soon.

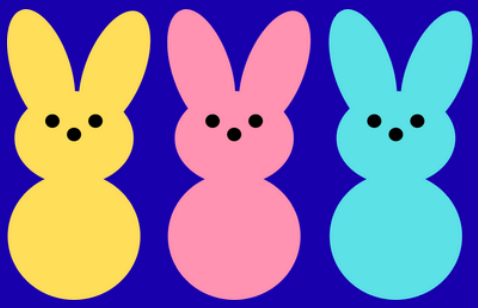
GO ALL IN.

The National Year of Reading 2026

GO ALL IN.

And finally a message from Mrs Fenby....



Dear Parents and Carers,

As we reach the end of another busy term, it's wonderful to reflect on just how much has been achieved. The year is flying by, and our children have embraced every opportunity with enthusiasm—from sporting events and impressive achievements, to choir performances in TBoWA's High School Musical, as well as a range of trips and visitors that have sparked curiosity and a love of learning.

This term, Year 5 became the first group to enjoy our new Forest School sessions. A huge thank you to Hannah for leading such engaging activities, and to Friends for generously funding this fantastic experience. Our Reception team and children were also one of only two local schools selected to take part in an eight-week music programme, which has captivated and inspired the children throughout. Meanwhile, Year 4 completed their swimming programme at the MSJ pool; their behaviour, attitude, and growing confidence in the water made us incredibly proud.

I hope you enjoy reading more about these highlights—and many others—in the year group updates included in this newsletter. I would also like to extend my heartfelt thanks to our staff for the rich opportunities they create for our children, always seeking new ways to inspire and engage them.

There is much to look forward to in the summer term. For now, on behalf of the staff and governors of Muscliff, I wish you all a restful and enjoyable break, and we look forward to welcoming everyone back on Monday 13th April.

Mrs Fenby
