WEEKLY BULLETIN

Friday 12th September 2025

News and highlights

Dear all,
We started our new term with lots of 'getting to know you' activities as we build new relationships with the children. This is a priority as it ensures the children feel safe, secure and happy in their classrooms.

No significant learning
occurs without
a significant
RELATIONSHIP!

-James Comer

This week we have introduced our new timetables across school; Reading, English, maths and wider curriculum subjects. The children have responded well to the structure and new routines. Please come along to your year group's Curriculum Evening to hear more about the coming year and how you can support your child.

Our new Reception children are now full time and are settling in really well; thank you to all the parents who have supported this smooth transition.
